### Purpose of Act Early State Team:

The Act Early State Team brings together stakeholders working to improve coordinated systems for early identification, developmental assessment, services and supports, and family engagement related to children with or at risk for autism spectrum disorder and other developmental disabilities. The meetings and activities of the Act Early State Team provide stakeholders an opportunity to share and align their work in this area.

### July 23, 2020 Meeting Objectives:

- To share stakeholder challenges and successes in advancing the goals of the Act Early State Plan
- To identify strategies and immediate action steps to advance the goals of the State Plan
