Purpose of Act Early State Team:

The Act Early State Team brings together stakeholders working to improve coordinated systems for early identification, developmental assessment, services and supports, and family engagement related to children with or at risk for autism spectrum disorder and other developmental disabilities. The meetings and activities of the Act Early State Team provide stakeholders an opportunity to share and align their work in this area.

July Meeting Objectives:

- To highlight recent Act Early State Team member activities related to early identification and referrals, Goal 2 of the State Plan.
- To connect team with Wisconsin's Help Me Grow affiliate and identify opportunities for collaboration
